

29 April 2019

To Our Customers in Israel,

Nutrivo is the manufacturer of Rule One Proteins' products. All Rule One branded products are produced under strict GMP guidelines. All such equipment used is thoroughly cleaned and sanitized after each manufacturing step to prevent cross contamination between products. This also includes anything that comes in contact with products- including scoopers. Additionally, production rooms are cleaned between batches and dust collection systems in each of production rooms remove airborne particles. The following list of Rule One products contain no banned substances according to WADA the (World Anti-Doping Agency) 2019 prohibited list- International standard:

- R1 Protein (All flavors)
- R1 Whey Blend (All flavors)
- R1 Casein (All flavors)
- R1 Gain (All flavors)
- R1 LBS (All flavors)
- R1 Pre Train 2.0 (All flavors)
- R1 Train BCAAs (All flavors)
- R1 Pre Amino (All flavors)
- R1 Lean 5 (All flavors)
- R1 BCAA (All flavors)
